Dexian Successfully Fulfills PeopleSoft Campus Solutions and AWS Needs

©Dexian, LLC, 2023 | 4320241662

CLIENT:

An Ivy League Institution.

Challenge

This private university had multiple needs:

- To complete a PeopleSoft financial aid restructure and re-implementation
- Upgrade Campus Solutions to 9.2,
- Upgrade from Oracle Database Administrator (DBA) to the AWS Cloud.

PLACEMENTS

6

Consultants

LENGTH OF CONTRACT

12+ Months

Solution

Dexian identified, screened and delivered multiple Oracle and PeopleSoft developers and functional leads with expertise in financial aid and student records.

SKILL SETS

- Project Manager
- Oracle DBA
- Integrations Developer PeopleSoft SR (Enrollment Management)
- PeopleSoft Support Developer
- PeopleSoft CS
- PeopleSoft Financial Aid Analyst

Outcome

Projects were supported in compliance with government mandates. The client continues to rely on Dexian consultants and has introduced the university's Human Resource Information System (HRIS) team to source Workday resources.

TECHNOLOGIES

- PeopleSoft CS 9.2 + Oracle Cloud DBA Migration
