

Case Study: Public Sector

Dexian Successfully Migrates Users for Acquisition Consolidation

@Dexian, LLC, 2023 | 4273363993

CLIENT:

An American waste management, comprehensive waste, and environmental services company

Dexian.com

Challenge

- Client had a limited internal IT team and need assistance to manage onsite desktop migrations
- Client needed regional and nationwide support for a 200+ site, 1800+ user deployment

Solution

- Team Size: 10
- Technical Skillsets/Technologies used: Powershell (Scripting), Microsoft Development Tool, Microsoft Project, SCCM
- Migrated end-user data and accounts
- Migrated mail accounts
- Performed post-migration support

Outcome

- Migrated users onto a centralized platform
- Standardized processes to enable client to provide more efficient services
- Provided management and a centralized communication path for the client
